ART EXPLORE · COLOUR ALIGNMENT

One palette, *one role per colour.*

The five brand colours from the Lagos Art Map Guide brief, assigned to fixed website roles, including every hover, press and focus state. Typefaces: Archivo for headings and labels, Instrument Serif Italic for accents.

01 · THE ROLES

PRIMARY
Terracotta
Buttons, links, active nav, key highlights. The colour people click.
#B0431C

SECONDARY
Ink brown
All text, secondary buttons, header and footer. The colour people read.
#241B12

ACCENT
Light orange
Hover fill, badges, map pins, underline marks. Never for text on light grounds.
#E0673A

BACKGROUND
Cream
Default page ground and text on dark or terracotta fills.
#F6EFE2

SURFACE
Sand
Cards, alternate sections, inputs, dividers, hover tint on cream.
#EDE0CB

Page proportion

Cream 55 · Sand 20 · Ink 15 · Terracotta 7 · Orange 3. Terracotta stays rare so it reads as the action colour.

02 · INTERACTIVE STATES — HOVER OVER THEM

Primary button

Explore the map · Hover · Pressed · Disabled

Default terracotta + cream text. Hover light orange + ink text. Pressed deep terracotta. Disabled darker sand + muted brown.

Secondary button

View spaces · Hover

Ink outline, transparent fill. Hover fills with ink and flips text to cream. Never placed beside a primary in the same colour.

Text links

Visit Kó Art Space or browse all galleries in Victoria Island.

Terracotta text with a light orange underline. Hover text deepens to #8A3216. Visited stays the same.

Navigation on ink

Map · Spaces · Events · About

Cream text. Hover and active take a light orange underline; hover text turns light orange (4.9:1 on ink, passes).

Card

GALLERY · IKOYI
Kó Art Space
Contemporary Nigerian art

Sand card. Hover lifts to cream with a light orange top edge. Label in terracotta, title in ink.

Input and map pins

Search galleries

12 · 12 Pin default, then hover

Input: sand fill, ink border on hover, terracotta border on focus. Pins match the numbered circle markers on the map.

03 · STATE LOOKUP

Element	Default	Hover	Pressed	Focus ring
Primary button	#B0431C / cream	#E0673A / ink	#8A3216 / cream	2px ink, 2px offset
Secondary button	Ink outline	#241B12 fill / cream	#3A2D20 fill	2px terracotta, 2px offset
Link	#B0431C	#8A3216	#8A3216	2px ink outline
Nav item	Cream on ink	#E0673A + underline	#E0673A	2px cream outline
Card	Sand	Cream + orange top edge	Sand	2px terracotta
Input	Sand, sand border	Ink border	Terracotta border	Terracotta border
Map pin	#B0431C / cream	#E0673A / ink	#8A3216	2px ink ring

04 · SUPPORTING PALETTE (PROPOSED)

Three additions that sit alongside the brand colours. Lagoon teal is the complement of terracotta and doubles as the water colour on the Lagos map. Use them sparingly and only where a state or data colour is needed.

Deep terracotta
Pressed state, link hover.
#8A3216

Lagoon
Map water, info notices, tags.
#2F6568

Mist
Light water tint, info background.
#CFDDD6

Umber
Captions, placeholders, disabled text.
#7A6A58

05 · APPROVED TEXT PAIRINGS

Aa — Ink on cream · 14.7:1 · all text

Aa — Ink on sand · 13:1 · all text

Aa — Cream on ink · 14.7:1 · all text

Aa — Cream on terracotta · 5:1 · all text

Aa — Ink on orange · 5:1 · all text

Aa — Terracotta on cream · 5:1 · links, headings

Don't Cream text on light orange (2.9:1) or light orange text on cream. Fails contrast.

Don't Orange on terracotta, or terracotta text on sand at body size (4.4:1).

Source: Map Designer Contract Checklist, Art Explore, section 4. Deep terracotta, Lagoon, Mist and Umber are proposed additions. No website file was attached, so existing site colours are not yet compared.
